

ZONING ADMINISTRATOR
NOTICE OF DECISION

Date: July 13, 2012
Applicant: Faris Attisha
Case No.: PCC-12-019
Address: 898 Broadway
Project Planner: Caroline Young

Notice is hereby given that on July 13, 2012, the Zoning Administrator considered Conditional Use Permit (CUP) application PCC-12-019, filed by Faris Attisha. ("Applicant"), at 898 Broadway ("Project Site") and is owned by Attisha Oil Inc. ("Property Owner"). The Applicant requests a CUP to allow used auto sales in conjunction with an existing Union 76 service station. The Project Site is zoned Urban Core Specific Plan (C-2) Zone and has a General Plan designation of Mixed Use Residential (MUR). The Project is more specifically described as follows:

The Applicant requests approval of a Conditional Use Permit to allow used auto sales in conjunction with an existing Union 76 service station. The proposed used auto sales office will occupy the existing trailer and display up to seven (7) cars for sale. The location of the trailer and parking spaces are located along the northern property line.

The site is located in the Urban Core Specific Plan, and is designated as a "Commercial District"(C-2) District. Pursuant to the Urban Core Specific Plan Regulations, used auto sales, are permitted uses upon approval of a Conditional Use Permit.

Planning staff has reviewed the Project for compliance with the California Environmental Quality Act (CEQA) and has determined that the Project qualifies for a categorical exemption pursuant to Section 15332 of the State CEQA Guidelines. Thus, no further environmental review is necessary.

The Zoning Administrator, under the provisions of Section 19.14.030.A of the Chula Vista Municipal Code and the Urban Core Specific Plan has been able to make the conditional use permit findings as required by CVMC Section 19.14.080:

- 1. That the proposed use at this location is necessary or desirable to provide a service or facility which will contribute to the general well being of the neighborhood or community.**

The proposed used auto sales will provide necessary and desirable service to the surrounding neighborhood. The proposed use is providing the sale of used automobiles in a convenient location for the nearby residents. Thus, the services it

provides will contribute to the general well being of the neighborhood and the community.

- 2. That such use will not, under the circumstances of the particular case, be detrimental to the health, safety or general welfare of persons residing or working in the vicinity or injurious to property or improvements in the vicinity.**

The proposed use will not be detrimental to the health, safety or general welfare of the residents or workers nor to property or improvements in the area. The characteristics of the proposed use and its operation do not have features that could have detrimental effects. The use will be subject to meeting all health, safety and general welfare standards and regulations set forth by the City of Chula Vista.

- 3. That the use will comply with the regulations and conditions specified in the code for such use.**

The granting of this Conditional Use Permit is conditioned to require the Applicant and Property Owner to fulfill its conditions of approval and to comply with all applicable regulations and standards specified in the Municipal Code, and the California Building, Fire and other applicable codes, for such use. These conditions will be enforced through building plan review, inspections prior to occupancy of the use and subsequent operation of the business. Furthermore, the conditions of this permit are approximately in proportion to the nature and extent of the impact created by the project in that the conditions imposed are directly related to, and of a nature and scope related to the size and impact of the project. The project will comply with all regulations and conditions specified in the Zoning Code for uses established under PCC-12-019.

- 4. That the granting of the Conditional Use Permit will not adversely affect the General Plan of the City or the adopted plan of any governmental agency.**

The General Plan designates the site as Mixed-Use Residential. This finding is met because the Urban Core Specific Plan designates the site for mixed use (commercial and residential). Thus, the proposed project is consistent with the Mixed-Use Residential (MUR) General Plan land use designation and will not adversely affect implementation of the General Plan.

BASED ON THE FINDINGS ABOVE, THE ZONING ADMINISTRATOR hereby approves Conditional Use Permit PCC-12-019 as described above subject to the following conditions of approval:
